AND WHEREAS, On 6.5.2014, this office has received a letter dated 29.4.2014 from Mr. V.M.Kurian, Advocate stating that the Hon'ble Court has dismissed the W.P.(C) No.26542/2013 filed by Mr. Ajith Issac Vs. State of Kerala and others vide order dated 11.4.2014. The Order dated 11th April, 2014 in the Hon'ble High Court of Kerala at Ernakulam at Page 32, second line reads as under:-

"Having regard to the fact that the University has admitted students based on an order

passed by the SRC, though it can be said that they have exceeded their power, in so far as the students are concerned, we cannot hold that they got admission knowing about the fact that the University did not have recognition. At the time when they got admission and until now as far as the University is concerned, they have the advantage of a decision taken by SRC. Despite the fact that SRC had no jurisdiction to grant such relaxation, taking into consideration the fact that the University cannot be found fault with at this juncture, we are of the view that the validity of the decision at Ext. P9 and the letter dated 29.11.2013 shall be available to the University only until till the end of this academic year. If at all the University wants further recognition from the next academic year, 2014-2015 onwards, they have to get recognition after complying with all the norms prescribed by NCTE or if they are unable to comply with the norms and standards fixed by the NCTE, appropriate relaxation should be obtained in terms of clause 12 of the aforesaid Regulations.

30. The learned counsel for the petitioner has a further case that the order is invalid on account of bias in favour of the University in so far as a former Registrar of the University was a member of SRC. Apart from making such a bald allegation, no materials are produced to indicate that the said member had exercised any bias to favour the University in the decision making process. Hence, we do not think that the decision at Ext. P9 is actuated by bias as contended by the learned counsel for the petitioner.

31. On the basis of a memo filed on 2.4.2014, learned counsel for the 2nd respondent has placed on record inspection reports of the visiting team in respect of the 10 colleges of the University conducted from 15.10.2013 to 19.10.2013. Though it is contended by the learned counsel for the petitioner that there are several infirmities in the aforesaid report and it is contended that there are several deficiencies other than what is now projected by the University, we do not think that such matters are required to be considered at this point of time, especially on account of the decision we have taken in the matter.

In the result, the writ petition is disposed of as under:

The decision at Sl.No.77 of Ext. P9 shall be valid only for the academic year 2013-2014 and in respect of the next academic year 2014-2015 onwards, there will be a direction to the SRC to consider whether the University has complied with all the requirements as provided under the Statute and either grant recognition or refuse the same. If the University is unable to get recognition or any relaxation from the Chairperson of the National Council as provided under Clause 12 of the Regulations, it is made clear that the University shall not conduct any further course unless they obtain recognition from the SRC in terms of Section 14 of the Act.

AND WHEREAS, the Southern Regional Committee in its 267th Meeting held on 12-13 Mar., 2014 considered the matter, and it was decided to comply with the Kerala High court order in the PIL case and communicate without any delay, the deficiencies noticed in the VT inspection report.

AND WHEREAS, a letter was addressed to the Registrar, Kerala University on 19.05.2014 with a request to remove the deficiencies within 3rd June, 2014, as per the decision of SRC.

Four crore The ten teacher education colleges are being run by the University on public interest alone, even with a deficit budget.

5. The ten teacher Education Colleges spread over in the four southern district of Kerala State have been instituted by the University on social obligation and public demands/interest as these district lack government colleges of teacher education.
